

Task: 3_PM_02 mobile APP Digital DisGant Cord

- the Project Stakeholder

- Client
- Sponsor
- APP users
- Teams
 - backend team
 - Front end team
 - Integration team
 - Validation & testing team
 - Security team
- Supplier
- HR
- CEO

- Stakeholders management Plan

* testing team has another many projects, so we avoid low testing Quality by signing Contract with external free lancing team to test the APP.

stock holder communication Plan

| meeting | focus, Purpose and Content | Frequency |
|-----------|--|-------------|
| Teams | key messages, deadlines, Project Progress, team morale & issues | Weekly |
| Suppliers | delivering Progress deadlines for requested Components and tools | bi Weekly |
| audit | risk Progress, faced problems | phase based |
| client | Project Progress, features added Satisfaction for previous versions | Monthly |
